* La chaise SSD / SSDr est livrée avec une clé Allen.
* The SSD / SSDr chair is delivered with an Allen key.

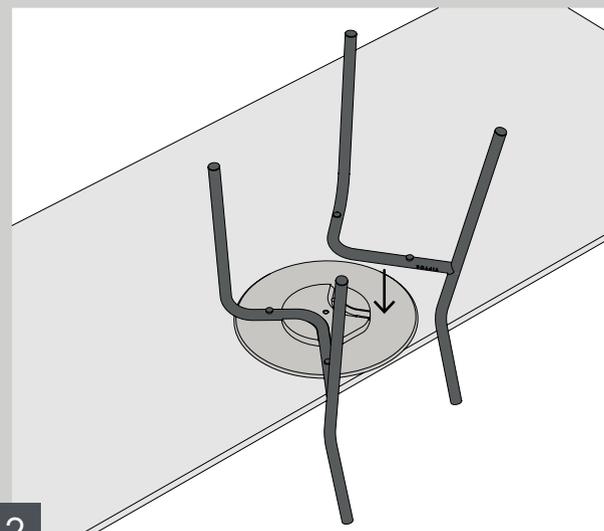

1

Positionnez l'assise (C) retournée sur une table, le côté plat vers vous.
Place the seat (C) upside down on a table with the flat side facing you.

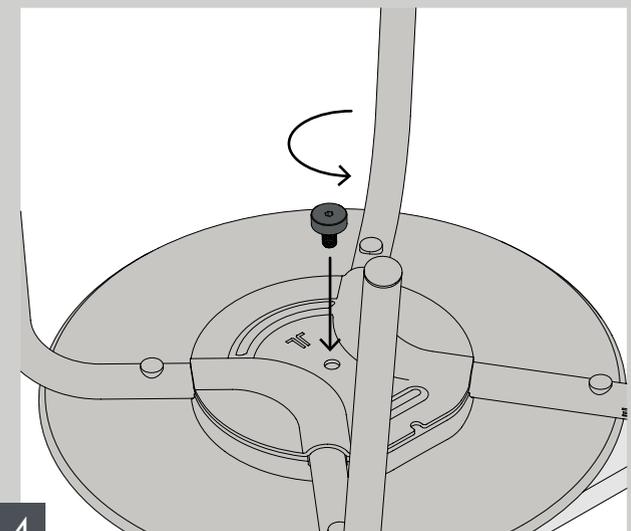

3

Placez la pièce verrou (D) sur les pieds (B).
Place the lock part (D) on the legs (B).

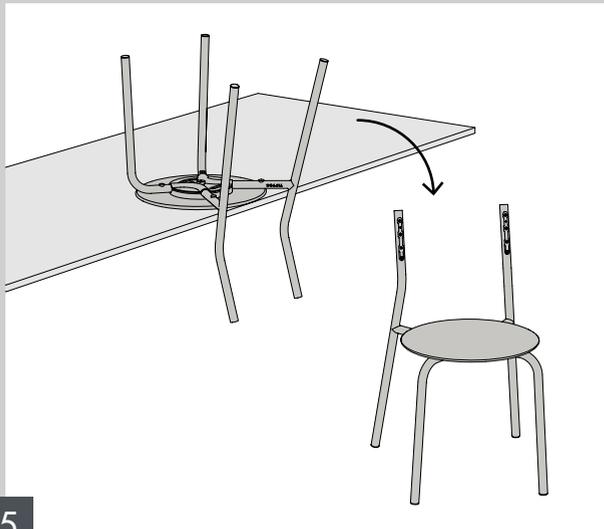

2

Installez les pieds (B) dans les rainures de l'assise (C).
Position the legs (B) in the slots of the seat (C).

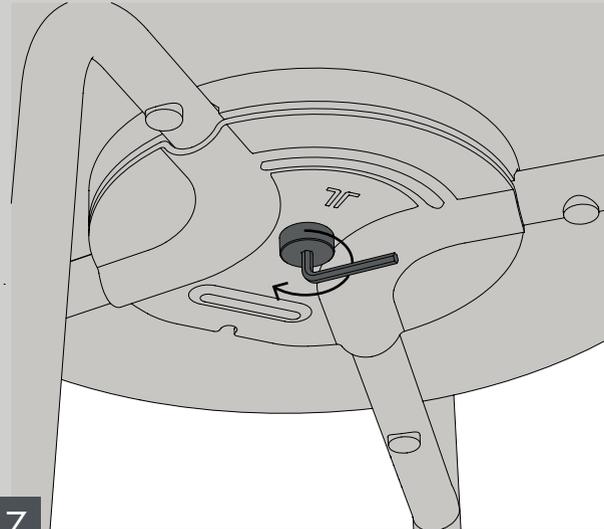

4

Insérez la vis (E) puis serrez-la à la main.
Insert the screw (E) and tighten it by hand.

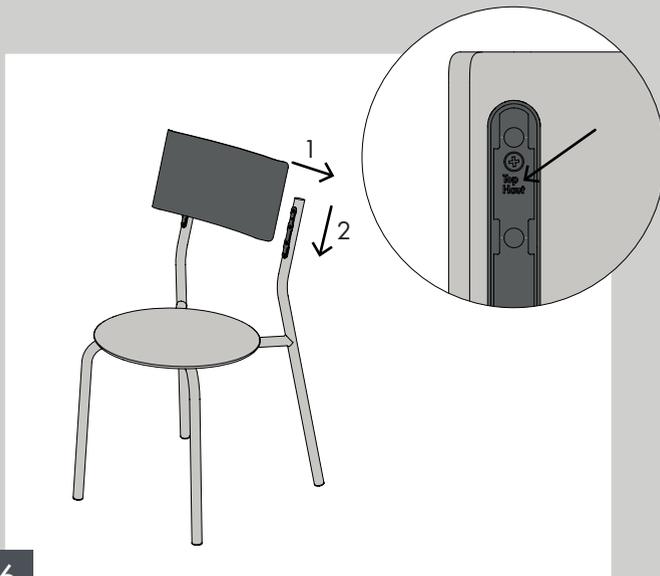

5

Retournez la chaise et posez-la au sol.
Turn the chair over and place it on the floor.

7

Serrez la vis (E) à l'aide de la clé Allen fournie (F).
Tighten the screw (E) with the supplied Allen key (F).

6

Positionnez le dossier (A) sur les tubes puis clipsez le dossier en poussant vers le bas.
Place the backrest (A) on the tubes then clip the backrest by pushing it downwards.

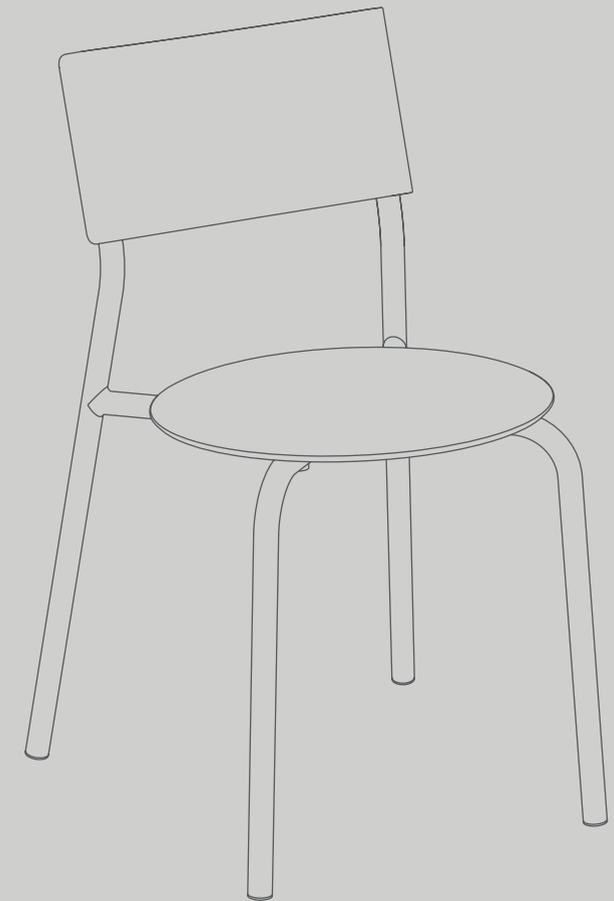

8

Votre chaise SSD / SSDr est prête à être utilisée !
Your SSD / SSDr chair is ready to use!
